Re: Emmet County ORV Ordinance

Dear Mr. Weichmann:

The County has received a copy of Pleasantview Township's Ordinance No. 1 of 2009, adopted by the Township on November 23, 2009, prohibiting the operation of off road vehicles and all terrain vehicles on any and all roads in the Township. The County is amending its ORV Road Map accordingly. A copy of the revised Map is attached.

Should you have any questions or concerns, do not hesitate to contact me.

Sincerely,
